must be no turning away from the principles of honesty and steadfastness of purpose. The RICER Drug Business was started sixty years ago by Wm. who from the first was firmly convinced that a druggist who insisted upon the lighest quality in everything he bought or sold was bound to secure and retain the confidence of the people. This man's wisdom and sagacity, his courage and foresight did much to make the RIKER Drug Business what it is to-day, and the name of RIKER is synonymous with Highest Quality and Lowest Prices in everything pertaining to Drug Store Goods. The present chain of fourteen large and successful RIKER Drug Stores in Greater New York and Boston, forms a purchasing power unequalled by any other institution of its kind in the country.
